Company brief introduction

Founded in 1999, Sunmixer Sanitary Ware Company has been designing and developing many kinds of residential faucets and commercial faucets.We become the first one to manufacture the commercial faucets in China since 2001. Sunmixer is highly regarded as innovative and reliable manufacturer superior quality products for the commercial plumbing. From high quality Pre-rinse Faucets to Workboard Faucets, From Foot Valve to Hose Reel and Waste Valve, Sunmixer is a main leader in the plumbing industry in China.

Certification

SUNMIXER was ISO-9001:2000 approved in 2011 , and our products are widely approved for various market standard such as NSF61-9, NSF-372, WRAS, ACS and CE. Our products are produced with highest standard and workmanship in the industry, with strict quality control.Specially NSF61-9 is an important certificatin for safety drinking water application. We set up all necessary testing equipment in our lab to ensure our products to be produced under standard, with a result to bring our customer great value for reliable, durable, healthy and easy installation and service.

Warranty

Sunmixer warrants all products without defects in material and workmanship for 3 years from the date of purchase. We are responsible for the defective after our examination during the 3 years. If return defective merchandise, the customer should bear shipping cost by himself. We appreciate no claims for labor,shipping costs or consequential damages .
